Oil Paintings do not need framing under glass. Each painting will be varnished to ensure protectiveness and longevity.

**WATERCOLOURS** - Painted on hot press 570gsm paper using high-quality watercolour paints.

A3 £75  
A2 £125+

Bespoke sizes - contact to discuss

Framing - extra charges - contact to discuss.

Clayboard is an option for watercolour paintings and does not require framing under glass.

All watercolour paintings are supplied unframed in a cellophane bag with a backing board. Watercolours must be framed under glass to ensure protectiveness and longevity.

**CHARCOAL** - Drawn on smooth 270gsm paper using high-quality charcoals.

A3 £75  
A2 £125+

Bespoke sizes - contact to discuss

Framing - extra charges - contact to discuss.

Charcoal drawings are fixed with a fixative to prevent smudging although drawings must still be handled with care to prevent damage.

All charcoal drawings are supplied unframed in a cellophane bag with a backing board. Charcoal must be framed under glass to ensure protectiveness and longevity.

\*When painting from a photograph, a clear, well-defined image/photo is to be supplied. Blurred or poor-quality photos cannot be accepted. These can be supplied as a digital image to [hello@sarahcooperart.com](mailto:hello@sarahcooperart.com)
